

EPHRP DASHBOARD

April - June, 2019

The Emergency Primary Healthcare Restoration Project (EPHRP) is a project operating under the Primary Healthcare Department at the Ministry of Public Health. The PHC Department oversees a network of 228 PHCCs which deliver healthcare services to both host and refugee populations.

BENEFICIARIES OF THE PRIMARY HEALTHCARE NETWORK

January - June, 2019

The EPHRP is funded through a grant from the multi-donor trust fund managed by the World Bank. The project was declared effective in July 2015. Implementation was initiated in June 2016. The project was extended till end of 2019. The project aims to deliver a package of essential healthcare services to 150,000 vulnerable Lebanese in 75 PHCCs. As of Q2 2018 the project contracted all 75 targeted PHCCs.

PROJECT DISBURSEMENT

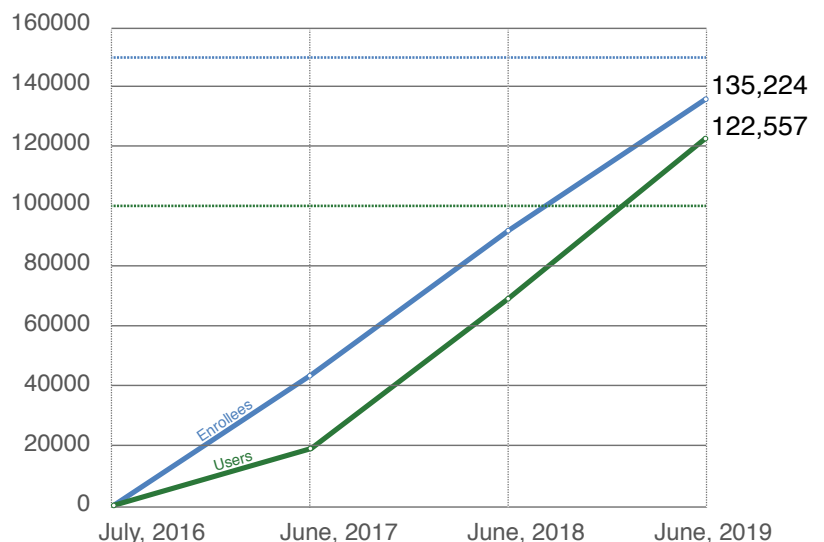

Total disbursements as of June 30, 2019: \$9,4M (63%)

ACCREDITATION

The Accreditation program founded in 2008 in collaboration with Accreditation Canada, aims at improving adherence to quality standards at the National PHC Network. The EPHRP supports the scale-up of the Accreditation program to the entire network (228 PHCCs).
